Sincere Thanks

Olive's family sincerely thank you for your love, support, and presence here today. After the service, please join them in sharing memories and refreshments in the lounge adjacent to the Chapel.

It is their wish that in lieu of flowers, donations may be made to Cancer Council Australia, or any cancer charity that is personal to you.

*Blessings be with you on your journey
May the sea breeze be gentle
May the sun's light be at your feet
And may the peace of the skies be in your heart*
