Message To Mum

Mum/Nan, we want you to know that we loved you.

You were a very important part of our lives.

Our relationship, our memories and moments shared,

And the love you have given us,

Are all so very precious to us.

We count our blessings to have had a mother & grandmother like you,

And we hope you realised

That you have always been our inspiration.

You have guided us in each decision,

And encouraged us to reach for every dream.

You have helped us through your guidance, your wisdom

And the strength of your love,

To become the people you wanted us to be.

We want you to know

That though we may not have told you often enough,

You mean so much more to us than words can say.

We thank you and we love you with all our hearts.

- Unknown

Remember Me

Speak of me as you have always done

Remember the good times, laughter and fun

Share the happy memories we have made

Do not let them wither or fade

I'll be with you in the summer's sun

And when the winter's chill has come

I'll be the voice that whispers in the breeze

I'm peaceful now, put your mind at ease

I've rested my eyes and gone to sleep

But memories we have shared are yours to keep.

- Anthony Dowson
